Hi everyone, the final on-line Energy Resources Taranaki Forum for 2024 will be taking place on **Wednesday, 27 November 2024**. We have a really exciting agenda lined up (attached) with global insights from Australia and the UK, electricity sector leaders from NZ, our Climate Change Minister and operational progress updates and insights from across the sector. We've packed a lot into a couple of hours. This session is kindly being facilitated by Karen Frew from Powerco.

Use this link <https://www.eventbrite.co.nz/e/energy-resources-taranaki-forum-tickets-980700159577> to get your tickets now. Please feel free to pass this invite on to your team members and others.
